

## In Augsburg the world is on your doorstep

In the heart of Bavaria, situated on the Romantic Road, not far from Munich and the Alps, the oldest city in Germany is attracting more and more people.

There is much to be said for Augsburg:

- 📍 friendly, manageable and safe
- 📍 a student feel
- 📍 historic old town
- 📍 lots of Shopping facilities
- 📍 safe accessibility to venues

Guests from foreign countries are warmly welcomed and quickly feel at home. The city of Mozart and Fugger, the birth place of Brecht, a Renaissance city and a lively university town- a city for business and recreation. Enjoy the benefits of a city: traditional German pubs, Theatre, Museums, without getting lost in the urban jungle.

*“This is just to thank you very much for every thing regarding summer course my son has just finished in Augsburg. Classes have been very good and worth, family has been perfect, please hand over our thanks to them too. Anyway, my congratulations. We would like to book for next year, same course....”*
